KLOKE HENDER – UNGE TALENTER

TRADISJONSHÅNDVERK FOR BARN OG UNGDOM

VALDRESMUSEA

A person is seen climbing a tree, silhouetted against a bright background. The scene is filled with the branches and leaves of the tree. Overlaid on the image is the text 'TREE HYPER' in a large, green, stylized font. The word 'TREE' is on the top line and 'HYPER' is on the bottom line. The letters are thick and have a slightly irregular, hand-drawn appearance. The background is a mix of dark tree branches and bright, overexposed areas where the sun is shining through the canopy.

TREE
HYPER

- 
- A group of people, including children and adults, are working with logs in a forest setting. They are gathered around a large log, possibly preparing it for use. The background shows more trees and people, suggesting a larger outdoor activity or workshop.
